ORDER

(Order of the Court was made by P. SATHASIVAM, J.)

The petitioner has prayed for direction to respondents 1 and 2 to take appropriate legal action against respondents 3 to 6 as contemplated under the Tamil Nadu Exhibition of Films on Television

Screen through Video Cassette Recorders and Cable Television Net Work (Regulation) Act, 1984.

2. On going through the various averments made in the affidavit filed in support of the above petition and also the information furnished by respondents 3, 5 and 6, we are of the view that as on date nothing survives for adjudication in this writ petition. It is relevant to note that the main grievance of the petitioner as seen from para 4 of the affidavit is that though licence was granted to each of the respondents 3 to 6 herein to a maximum of 100 connections alone, they are having more than 500 connections each, which is totally against the terms and conditions of the licence issued by the first respondent. In para 5 it is stated that the licence granted to the respondents 3 to 6 are also expired on 31.12.1995 itself.

3. In the light of the averments from the affidavit and taking note of the relief prayed for, as observed earlier, we are of the view that nothing survives for adjudication in this writ petition at this juncture. On this ground, the writ petition is dismissed. No costs. Consequently, connected WMP., is also dismissed.
